

IMPROBOTICS

An Improvised Theatre Experiment

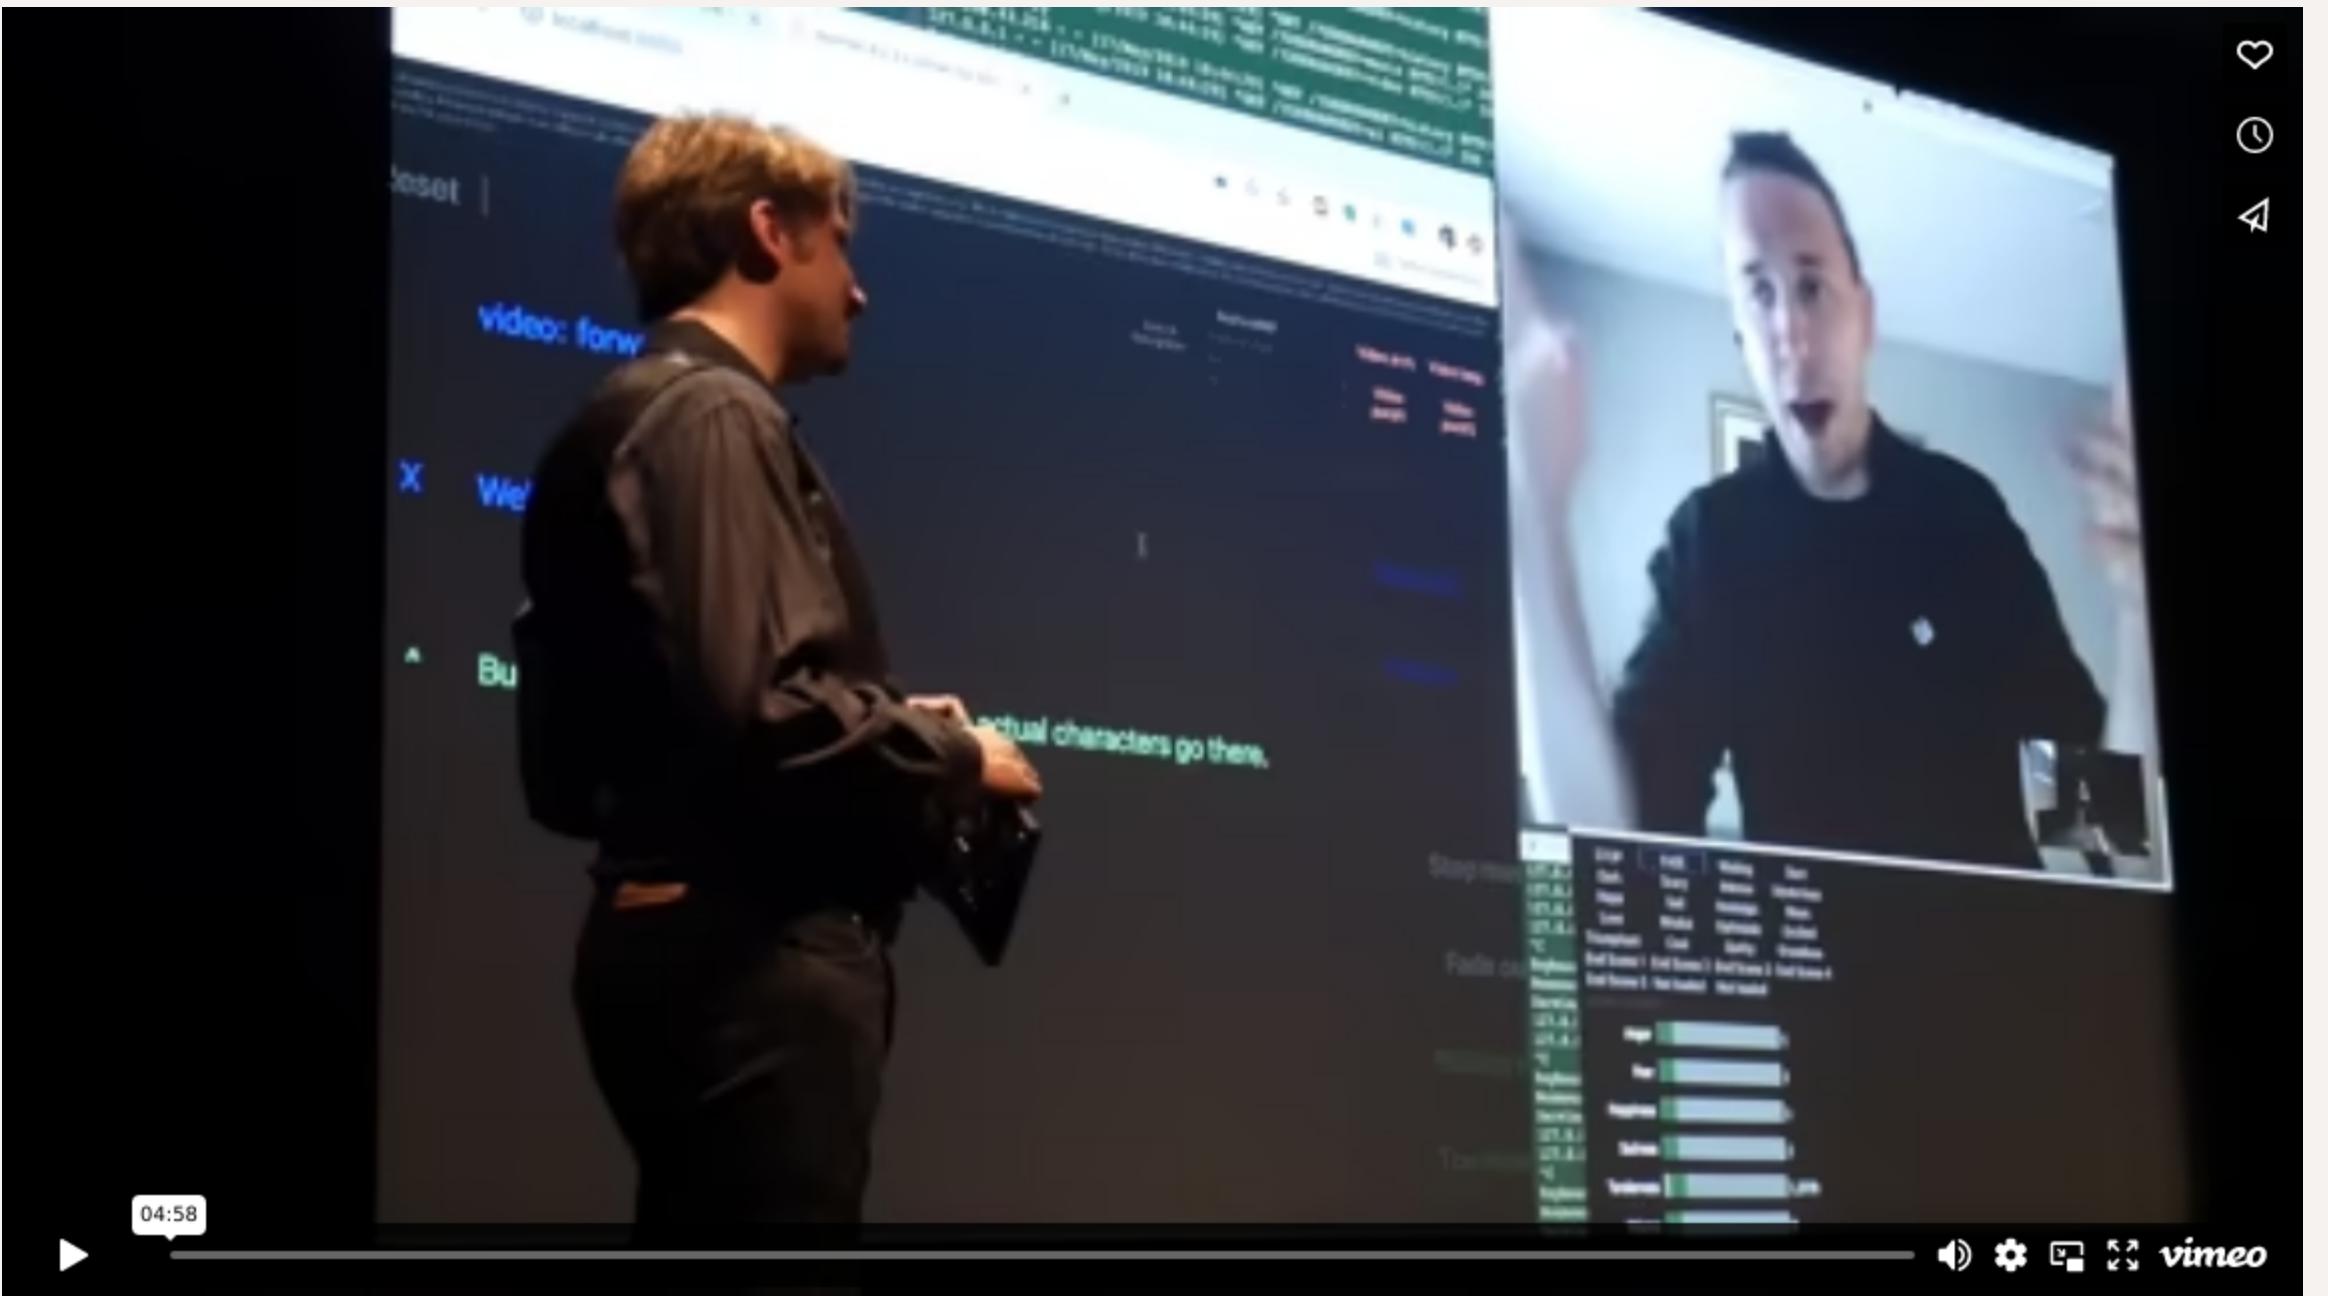

"If I were introduced to a show like this as a kid, I would definitely have paid more attention to science class"

- Phoenix Remix, Brighton Fringe 2019

Technology Used

OpenAI, Universal Sentence
Encoder, 40GB of web pages...

A Show Controlled and Performed by Robots

There's more than just comedy performance...

Rosetta Code
A lost experience in
translation

Anyone could be part of the performance...

Discussion Questions

Imagine in our final play, would you be willing to be controlled by an AI and perform with the robots?

As audience, how would distinguish between the improvisers controlled by the AI and others?
